Release date: 26 October 2021

Juicy Fruits Lucky Repeat

Juicy Fruits Lucky Repeat is nostalgic charm and simple, effective gameplay are just a little of its appeal. At any moment, and with any spin, the reels may simply spin again. This is a completely unique re-spin effect that rearranges the symbols, rewards you with another chance, and maximises your opportunity to walk away with a major cash prize or payout! The re-spins are a generous and surprising addition to a simple game, and that's not all.

Multipliers can also maximise your wins in a single click. Your new prize following a free spin could then be multiplied by a factor of 10, so sit back, spin, and watch the wins roll in. Juicy Fruits Lucky Repeat has perfectly combined old-school charm with new technology and game play expectations. By combining simple, striking symbols with bonus features such as multipliers and free spins, this is an exciting gameplay experience that helps you to maximise your wins with every spin.

The added feature of being able to play on the go is a great way to modernise the old-school game. Try a new take on a classic and get those reels spinning and winning today!
